

## **Minutes from the Combo Match 2005**

January 8, 2005

Meeting opened by Walker Mead at 12:12

Minutes read. Tom Daniel motioned to approve minutes, Sandy Daniel seconded. Minutes were approved by vote.

Treasurer's report read. Kathy Konek asked how much was in the Junior Fund. Craig will have to look in previous minutes to find out. The Columbia Match proceeds go to that fund. (\$100 from 2004 Match received from Walker). Roger Swing motioned Treasure's report to be approved, Tom Daniel 2<sup>nd</sup>. Approved by vote.

### **Old Business**

Discussion about whether we were going to be posted in the Spokesman Review. Per Tom: he had written and personally called the paper owners and they said they will never put the weekly league results back in the paper. Kathy had also corresponded with the paper in the past as Treasurer with about the same results.

Tom Daniel is continuing to work with his contact, Doug Higgin, about creating an Excel program for ease of entering postal tournament results for Bernice McKinney. Doug did not indicate any need for payment to Tom.

We are going to ask Dane Hossley to see if there is any interest in creating an Air Rifle League to go along with the IERPA League. He was inquiring Montana, Idaho and Washington teams, but was not available for any report.

### **New Business**

Roger Swing got an email from Scott Lorenz about how he had started enhancing his clubs shooting program. Roger will put this into a correspondence to all clubs through the email contact system already in place.

Recommended IERPA.org web site adjustments and additions: (we need to get an official ruling on these; because I got different definitions from other individuals)

1. Terminology: Change Programs to Announcements  
Use Bulletins as results from Matches..

Others say, Bulletins to me are the rules for a match. Results for a match would be scores shot by participants.

2. See if we can gather records to post on the site. If any one has records please submit to Walker Mead for authentication and posting. (Walker will utilize existing records to verify. Craig has existing records depository.)

3. Clubs are encouraged to send pictures of their ranges and worthy event/award photos to Vic for posting on the site. Vic's address can be gotten from IERPA officers. (E-mail Address: Victor Alvarez [v.alvarez@verizon.net](mailto:v.alvarez@verizon.net) and the Web page site address is [www.ierpa.org](http://www.ierpa.org).)

Meeting motioned adjourned at 12:14 by Sandy Daniel, Pat Brownier 2<sup>nd</sup> adjourned
